

INTRODUCTION

Vintage Albuquerque is a 501c3 non-profit charitable organization, chartered to raise funds for organizations that provide outstanding educational programs for children of New Mexico, in one or more arts and/or creative disciplines. These funds are raised during a 5-day multi-event, wine and food festival, which will be held on June 19-23, 2019.

We invite organizations and programs that provide arts education to New Mexico children and youth, and meet the objectives listed below, to apply.

OBJECTIVES

- a. We seek to best transform the lives of children who, without our gift, may live lives without the enlightenment and creativity that the arts can inspire. Our goal is to benefit New Mexico school children through their exposure to arts of every and any kind. We intend for our donations to provide transformational experiences for the children served.
- b. We expect our donations to have a significant impact on children, not only to make them better and measurably happier, but to help them make our world better in return.
- c. We are particularly interested in encouraging arts that are underfunded, and children who are under-served.
- d. We are inspired by the difference Vintage Albuquerque can make in the lives of children whose eyes have never been opened to the possibilities and worlds that are introduced by creativity and the arts.
